## BALLENTINE---GUSTIN

Popular Young Couple Married at Home of Bride's Parents Wednesday.

Miss Georgiana Ballentine, only daughter of Mr. and Mrs. George M. Ballentine, and Mr. Roy Gustin, of Columbus, were married at the home of the bride's parents on E. Main street Wednesday afternoon at 4 o'clock.  
Promptly at 4 o'clock to the strains of Lohengrin's beautiful wedding march, played by Miss Nannie Ballentine, a cousin of the bride, the bridal party entered the parlor and took their positions at the altar that had been arranged in the bow window. Here they were met by the officiating minister, Rev. W. H. Shields, who read the beautiful ring service of the Presbyterian church in an impressive manner.  
The bride was attired in a becoming gown of white charmeuse, trimmed with pearls and shadow lace and wearing a bridal veil of white tulle. The veil was clasped with a chaplet of orange blossoms. She carried a shower bouquet of roses and valley lilies.  
Miss Martha Cunningham, a cousin of the bride, was maid of honor and the bride's brother, John Ballentine, best man.  
The color scheme was pink and white and the home was a charming sight, profusely and artistically decorated with pink and white chrysanthemums and ferns. The bow window had been transformed into a bower of beauty, banked with flowers and ferns.  
Immediately following the ceremony the seventy-five guests showered the happy young couple with congratulations.  
An elaborate wedding breakfast was then served.  
Mr. and Mrs. Gustin left on the 6:25 for a wedding trip. The traveling dress of the bride was a handsome blue suit with hat and gloves to match. They will be at home to their friends at Columbus, after December 1.  
The bride is an attractive and accomplished young lady with a wide circle of friends here.  
The groom holds a responsible position in the Columbus office of the Central Mutual Life Insurance Co.  
The bride received many beautiful and useful presents.

## DEMOCRATIC LANDSLIDE

Wilson and Marshall Sweep the Country, Estimated They Carried Thirty Six States

Entire State Democratic Ticket Elected and Only Four Republicans Saved in the County

Judge Newby Receives Handsome Majority and Dr. Fess is Elected to Congress.

Roosevelt and Johnson Apparently in Second Place.

Woodrow Wilson has been elected President of the United States, the Democrats being successful for the first time in twenty years.  
While the returns received at the time of going to press are necessarily meager on account of the large ballot, and much scratching it is estimated that Roosevelt has run second in both popular and electoral vote and President Taft third.  
The landslide carried most of the Democratic county ticket through to victory. The Republicans however elected G. G. O. Pence, state representative, W. A. Teter, auditor, John S. Faris, and B. O. Pratt, surveyor.  
Mr. Faris headed the county ticket, leading it in every precinct that has a Democrat majority and carrying rock ribbed Salem by twenty six votes.  
Ohio was carried by Wilson and Cox by over 100,000 and the entire Democratic state ticket elected.  
J. B. Worley was elected probate judge, defeating Frank R. Ambrose by about 500. Judge Newby carried Highland county by what is thought to be the largest majority ever received by any candidate in this county, his majority being estimated at at least 1700 and by many as high as 2000. He has without a doubt been reelected Common Pleas Judge in this district although but little definite news has been received from the other counties in the district.  
Sulzer, Democrat, was elected governor of New York. Hedges, Republican, running second and Struss, Progressive, third. In Indiana the early returns indicate the election of Ralston, Democrat, with Beveridge a close second. In Illinois the race between Deneen, Republican and Funk, Progressive, is very close and the result is in doubt.  
The Sixth District sends Dr. S. D. Fess to Congress, defeating Dr. K. Hempstead by about 300. Dr. Fess made a clean, aggressive campaign and deserved re-election as he is a man of ability and wide learning. His record as vice president of the Constitutional Convention added much to his strength.  
While Gov. Wilson has received the large electoral vote of 421, carrying 36 states and 2 still in doubt, he will not have a majority of the popular vote. Col. Roosevelt carried five states, receiving an electoral vote of 87 and President Taft four states with an electoral vote of 16.  
The states it was thought each candidate had carried Wednesday morning and their electoral vote follows:

States	Wilson	Roosevelt	Taft
Alabama	12		
Arizona	3		
Arkansas	9		
California		13	
Colorado	6		
Connecticut	7		
Delaware	3		
Florida	6

## COURT NEWS

Two New Cases Filed in the Common Pleas Court During the Past Week.

Two new cases were filed during the past week:  
Helle Hobbs, plaintiff, vs Joseph Wright, defendant, is an appeal from the docket of T. W. Sweeney, justice of the peace of Washington township. The plaintiff asked for a judgment for \$30 against the defendant for the cutting down and grubbing up of shrubs and saplings and other property of the plaintiff, which the defendant hauled away and converted to his own use. In the trial before the justice the jury returned a verdict for the defendant. The plaintiff appealed the case.

M. J. Jones asks for divorce from Margaret L. Jones on the grounds of gross neglect of duty and adultery. The parties were married in Clinton county Nov. 16, 1907 and have two children, Lucy May, aged 4 years, and Florence Elizabeth, aged 1 year. The plaintiff now lives at Lynchburg.

The plaintiff says that the defendant has neglected to attend to her household duties and has associated with loose characters. The plaintiff further says that on Oct. 12, 1912 the defendant left his home, taking with her their youngest child; that he is informed that she joined Arthur Houghton in Cincinnati and has been living an cohabiting with him ever since; that on Nov. 1, she returned the child to him.

Wherefore he asks for divorce and the custody of the children.

## FIRE AT BUFORD.

Home of Dr. Sanderson is Completely Destroyed--People Rally to His Aid.

The home of Dr. Sanderson at Buford was completely destroyed by fire Tuesday afternoon of last week.

When the fire broke out most of the men were away, attending the Mulenix sale. The school children however responded nobly to the call for aid and a bucket brigade was formed. The men who were working on the pike also hurried to the scene and bent every effort to save the home and prevent the fire spreading. It had gained such headway before discovered and with the high wind blowing it was impossible to save the house. It burned like kindling wood.

For a time it looked like the entire town might be destroyed, the flames carrying to George Weaver's barn, the mill of L. J. Tolle and the house of Jane Martin.

Very few articles were saved from the home and the Doctor's loss was especially heavy in his library, medical instruments and drugs.

James Martin offered his residence on Pleasant street to the Doctor and his wife until spring without charge until their house can be rebuilt. Logs are now being sawed for their new home.

In an interview with Dr. and Mrs. Sanderson Monday morning, Mrs. Sanderson said, "I want to live and die in Buford because the people are so good." And with tears in her eyes she showed the beautiful set of polished chairs the school children had given them and called especial attention to the well filled pantry and splendid assortment of canned goods and all kinds of provisions.

Dr. Sanderson has been very successful in his practice here and now realizes how highly the people appreciate him and his excellent wife.

## Council Meeting.

The regular meeting of council was held Monday night. The usual batch of bills was allowed and the reports of the different departments received and approved. Mayor Wilkins reported \$53.30 received from fines and licenses. The question of disposing of the Clifton House was brought up but no action taken.

It was found necessary to transfer funds to pay bills. A resolution authorizing the issuance of a certificate of indebtedness for \$2438.76 to pay the bill of the Hillsboro Light & Fuel Co. for street lights was passed.

A petition signed by a large number of the citizens of the town asking that the pool rooms be allowed to keep open on election night was presented. As there is an ordinance prohibiting them running after 10 o'clock, the mayor advised council that no action could be taken upon the petitions except by repealing the statute.

Council then adjourned.

## Delightful Concert.

An excellent concert was given at the First Presbyterian church Friday night by Miss Vivian Woodrow, assisted by Miss Nina Glenn, Mrs. Mora Harsha Rogers, Mrs. C. F. Faris, Mrs. Charles Langley, Miss Mary Spencer and a girls chorus.

Miss Woodrow has a beautiful soprano voice, well trained, rich in tonal qualities and sings with feeling and expression. Her numbers were well selected so as to appeal to the taste of all the members of her audience. Those sweet and always popular old songs, "Annie Laurie" and "Ben Bolt," were especially well received and Miss Woodrow was compelled to respond with an encore. "The Flower Song From Faust" was also very enthusiastically applauded.

"Fly Singing Bird Fly" by the girls chorus was charming and so well rendered that the young ladies graciously responded with an encore.

"Lead Kindly Light" with Miss Glenn at the organ, Miss Spencer, piano, Mrs. Faris, violin, and Mrs. Rogers, cornetist, was very popular and increased the admiration of the audience for these talented musicians.

Miss Glenn played all of the accompaniments and performed this most difficult task with rare skill.

On account of the bad weather only a fair crowd was present.

The regular meeting of the Business Men's Association was held Friday night. Sam R. Free reported that the reports indicated that the Boys' and Girls' Farm Congress would be a great success. The executive committee of the Teacher's Institute asked that the Association assist it in securing a place for the holding of the institute. Upon motion Pres. Garrett, Sam R. Free and Dr. L. Nelson were appointed a committee to confer with the executive committee in regard to the matter.
